1. PRESIDENT'S WELCOME

A big warm welcome to all returning and new panther families. So many new families join us and want to become Panthers this year and I look forward to meeting you all at some point floating around the club.

At DMJFC, we pride ourselves on respect, trust, friendship, and volunteering. We are a respected club, well-known to do things 'by the book'. This ensures a consistent and safe message relayed from the league via competition rules and bi-laws.

As most of you may be aware, 2023 will see us moving to our brand-new facilities on the corner of Browns and Craig Road, which is very exciting! This transition will hopefully begin in April, and will see us having some disruptions to training/games during this time. Please be patient as we go through this process.

Please find below our 2023 committee. DMJFC is solely run by volunteers who also have families/jobs/etc. With the influx of players over the last three years, we are in need, more volunteers to join our awesome committee. The more helpers we have, especially during this year of club transition, the smoother the club will run.

Please reach out to me if you are interested in jumping on board.

Melanie Alder.

VOLUNTEERS: A club that values, respects, and encourages all volunteers.

LEADERSHIP: Strong leadership within the team and club, and promoting the benefits of teamwork and team spirit.

4. WHAT TO EXPECT AT DEVON MEADOWS JUNIOR FOOTBALL CLUB

Devon Meadows Junior Football Club is part of the Frankston District Junior Football League (FDJFL).

Training nights run 4 nights a week (Tue-Fri) with all teams training twice a week and most teams training Wednesdays and Fridays. There are varying times with the younger age groups starting at an earlier time of approximately 5pm. Preseason training for U8-U10 commences mid-March with the U11 commencing at the start of March and the U12 and up starting in February.

The Home and Away season will begin on the 23rd of April. Home games are played at Casey Fields Ovals 2 and 3. Away games are played around Frankston, anywhere from Mount Eliza to Bonbeach for the U8-U12, and anywhere in the Southeast for U13 and up.

We run awards nights usually on a Sunday throughout the season at Devon Meadows Netball and Football Club at Glover Reserve, Devon Meadows. This is a great night to socialise, have a feed, while listening to the coaches reports on the games. Coaches also recognise players for their efforts.

DMJFC also runs a couple of social/fundraising events throughout the season. We are looking for a few people to help in organising these. Please contact us if interested.

Presentation Day is normally held mid-September. This is a great day to celebrate the season and normally entails some fun activities for all ages.

Facebook is our main platform for information. Please follow our club page DMJFC. Every team also has their own dedicated Facebook page. All club-related information is posted on the club page and moving forward, only team-related information will be communicated via the team pages. Contact a committee member or your Team Manager if you cannot find the club page.

Merchandise orders can be placed through our webpage (see Links) or alternatively, the merchandise coordinator can be contacted (see Contacts).

A limited canteen will run throughout the season, most likely on a Friday night, bi-weekly.

We also run Auskick sessions from end of April until end of July at Glover Reserve on Saturdays 830-930.

7. VOLUNTEERING

Volunteers are the backbone of Australian Junior Football Clubs. They are the glue that holds together every football club in Australia.

Each week there are roles and tasks that need to be filled by volunteers so that our games can go ahead as planned. DMJFC, just like **every other junior club** whether it be footy/athletics/soccer, etc., is a non-for-profit organization and purely volunteer ran. It is the expectations that all families help out in some capacity, anything from 2hrs of canteen duties per season, to officials or committee roles. This ensures junior clubs/games run smoothly, and fees kept at reasonably low costs.

To assist within the club, we ask that at least 1 parent/guardian from each family be registered on PlayHQ as a volunteer under DMJFC, and that a Working with Children Check is obtained and a copy sent to the Team Manager. This card is free for volunteers in Victoria.

Team volunteer roles include:

- Coach/Assistant Coach
- Team Manager
- Runner- (minimum age of 16 years of age)
- Water Runner –(must be minimum 13 years of age)
- Goal Umpire
- Boundary Umpire
- Ground Marshall
- Time Keeper
- First Aid/Trainer

Cut Oranges for half Time

Lollies/Snakes for post game.

CANTEEN

1 volunteer from each team is required to assist in the canteen on their home games, for 30min prior to the game or 30min after the game. This may be organised as someone putting up their hand voluntarily, or may be put out as a team roster. This will be communicated weekly through your team page on Facebook.

7.1 Working with Children

The Devon Meadows Junior Football Club recognises the importance of child safety and how we work to ensure our Club creates and maintains an environment where all children are safe. Volunteers within the club with on-field roles, must obtain and provide a copy of their Working With Children Check (WWCC). This is a club policy which promotes good practice in child safety and provide appropriate care and protection whilst in the care of the Club. This policy also allows staff and volunteers to make informed and confident decisions and responses to specific child safety issues.

We appreciate your cooperation in maintaining our high standards around child safety.

8. GAME DAYS & WHAT TO EXPECT

PRIOR TO GAME DAY

Game day details & information will be posted on your team's Facebook page in the week prior to the match.

Confirm if your child is or is not playing in the match when prompted. This assists the coach in their planning and preparations.

Volunteer roles will need to be filled in order for the team to take the field. No volunteers, No game.

GAME DAY

Under 8 – Under 10 players should arrive 30mins prior to a game. No clubrooms will be available to these teams due to multiple games played on an oval and the lack of change rooms available. Come dressed and ready to play.

Under 11 – Under 14 players should arrive 45 mins prior to a game (coach discretion).

Under 15 – Under 19G players should arrive 1 hour prior to a game (coach discretion).

Full club uniform is to be worn in order to take the field.

No mouthguard, No play, No exceptions.

No jewellery is to be worn on field. Facial & ear piercings must be removed (taping them is not permitted by the leagues rules). Nails must be short.

If a player (male or female) has their hair braided, and it swings free from their head when the head is moved, it may cause harm to another player if struck by the braid. Due to injury that may be caused, players are not permitted on the field with free braids in their hair. This includes plaited ponytails. Players with plaited ponytails will be instructed by the Umpire to either roll the plait into a bun or remove the plaid and replace with a loose ponytail (as long as the ponytail does not hide the player's number).

DURING THE GAME

Only players and registered officials are allowed to be on the field. Spectators are not permitted on the ground at any stage of the game or any breaks, but are permitted on the ground once the umpires have left the field, unless otherwise directed by the league or club official. Players from the following game can have a warm up kick during the breaks.

It is also **not acceptable** for spectators to be inappropriately yelling at, or coaching players from the sidelines, especially from the boundaries of the coaches boxes. Any negative comments and remarks will be treated as per our code of conduct breaches and be reported to officials.

This is not tolerated, and can be confusing to the players who are being coached by the coach and not spectators. **Spectators/players/officials/coaches must refrain from negative language and remarks.** We are committed to maintaining high standards within our Club.

AFTER THE GAME

Under 8 to Under 10 must sing the club song after each game together with their team. Remember, these are the non-competitive years and crucial for enjoyment, player development & team bonding.

Please **discourage** 'winning' and 'losing' terms.

Coaches will hand out awards and briefly chat to the team about the game.

9. CODES OF CONDUCT

PLAYER'S CODE OF CONDUCT

- Play by the rules – the rules set by DMJFC, Frankston & District Junior Football League (FDJFL) and the laws of the game.
- Never argue with an umpire or other official – without these people you cannot play football.
- Control your temper – verbal abuse of officials and sledging other players doesn't help you enjoy or win any games and is not tolerated.
- Be a team player – it's a team game, treat it that way.
- Treat all players, as you would like to be treated – fairly.
- Co-operate with your coach, the umpires, team mates and officials.
- Play for your own enjoyment and to improve your skills.
- Use of ugly remarks based on race, religion, gender or ability, will **not** be tolerated. Not only will you let down your family, coach, team mates and club, but these types of remarks are now illegal.

PARENTS/GUARDIANS, TEAM OFFICIALS & SUPPORTERS CODE OF CONDUCT

- Remember that you are there for the participants (players and officials) to enjoy the game.
- Encourage participation, but don't enforce it.
- Teach that enjoyment is better than winning.
- Never ridicule mistakes or losses – supporters are there to support not belittle.
- Lead by example and respect all players, coaches, umpires and spectators – physical or verbal abuse will **not** be tolerated.
- Recognise all volunteers who are giving up their valuable time.
- Never publicly criticise umpires, coaches and officials – raise your concerns with club officials in private.
- Don't use ugly remarks based on race, religion, gender or ability – you'll let down your coach, team mates and family if you do, and many such comments are actually now illegal.
- Acknowledge that a parent or official cannot interact with opposing players or officials
- Will use social media platforms respectfully. This includes using only club managed team pages for any club and team related communications.

10. HOUSE KEEPING

Please respect the spaces in and around the club. This includes and is not limited to, change rooms, amenities, club rooms and around the grounds. There are many bins provided around the club for your convenience and to minimise and discourage littering. Changerooms need to be kept free from rubbish, and again please use the bins available in each room.

Please ensure you have discussions with your family of the importance of contributing to maintaining a clean and tidy club as well as keeping this standard when you are visitors at other clubs. When using changerooms, please understand that over lapping teams may also be using the same space. Therefore, please do not leave personal items, clothing, bags and rubbish everywhere. If you put it down, please pick it up, bin it, or clean it up.

Please help us to keep our club clean and tidy by treating it like you would your home.

We appreciate your assistance with this.

10.1 Parking

Please observe parking signs at the grounds.

- Do not park in Disabled Parking bays if you are not a holder of a permit.

- Do not park where Ambulance access is reserved. This hinders emergencies.

If dropping your child off at a game or training, please do not park in restricted or reserved parking spaces or double park other cars and block access. Be mindful that many children are around and crossing the car parks. Please drive in an appropriate and safe manner when entering or exiting the car parks.

11. ALCOHOL, SMOKING & VAPING

This is a junior sport.

Alcohol and smoking/vaping is prohibited at games and training.

Our league does not permit persons officiating at matches to smoke on the playing arena at any time including quarter and three-quarter time intervals. This applies to coaches, team managers, runners, goal and boundary umpires, first aiders and water persons etc.

To assist the effectiveness of this policy the Devon Meadows Junior Football Club requires the entire area of the Devon Meadows Junior Football Club Ground & Facility to be smoke free. This includes: • all outdoor playing/training/dining/drinking areas • spectator viewing areas • car parks • in vehicles that are within the boundary of the sporting ground.

We thank you for your cooperation.

12. CONCUSSION & HEAD INJURIES

If a player has suffered a concussion or is suspected of having a concussion, they must be medically assessed as soon as possible after the injury and must NOT be allowed to return to play in the same game/practice session. There will be an accredited first aider at every game and the basic rules of first aid will be used when dealing with any player who is unconscious or injured. The player should not return until such time as a doctor's certificate has been obtained indicating they are fit to play. This process is to be managed at Club level and is to be in line with the AFL Community Concussion Management Guidelines

13. ASTHMA & MEDICAL INFORMATION

If your child has Asthma, please supply a copy of their asthma management plan to the Team Manager who will also share this with the Team Trainer/first aid.

Relevant medical information such as allergies, injuries & medical conditions should be shared with the Team Manager and the Team trainer to ensure appropriate treatment can be carried out if required.

14. AWARDS PROCEDURES

16.2 Team Nights

Individual teams are encouraged to organise their own team bonding sessions and relationship building activities, as these have a positive impact on team dynamics and success. There are many options for these nights, including pie nights, pizza nights at the club.
